

TRUST IN GOLD BUYING & SELLING

*"I'm sure you've seen all the
'gold buying' places popping up recently.
It is a FACT that a locally owned independent jeweler
can offer you more for your gold.
We have been here for over 20 years and we will be here
this time next year. Family owned and operated,
we're not looking for a quick buck -
we're looking to treat you fairly (and
maybe become your personal jeweler)!"*
